

O/o the Commissioner, CADA,
SPD, APIIATP, WRD,
Government of Andhra Pradesh.

Memo.No. APIIATP/CADA/AB/06/2016, Dated: 07-06-2018

Sub: PMU, APIIATP – Agriculture Component – Annual Action Plan 2018 -19-

Implementation – Conducting of Orientation Training to the District Officers on 11.6.2018, 11.00 A.M at FTC, Vijayawada – Participation – Requested - Reg.

Ref: 1. Lr. No.NRM(1)/31/2016 dated 06.06.2018 .

Under APIIATP, component B1 – Agriculture is one of the important components and plays a key role in increasing the income of farmers by promoting the crop productivity enhancement on sustainable basis and by increasing cropping intensity and crop diversification for high value crops. Besides value addition and facilitating market linkages along with required infrastructure support in the rural areas also is one of the important interventions under the component.

The District Project Directors are requested to depute the Assistant Project Directors for the Orientation Training Programme to the District officers of Agriculture and Horticulture scheduled on 11.6.2018, 10.00 AM at Farmers Training Centre, Vijayawada. All the DPDs are requested to instruct their APDs to furnish the particulars of WUA agri formate data and existing FPOs information in the project villages ,in the formats already communicated by PMU.

Sd/-07 – 06-2018.

State Project Director, APIIATP
